
PASTORAL CARE POLICY

Rationale

That the school is a safe and supportive environment for our staff and students.

Aims

To ensure that we have complimentary procedures that ensure that the school is a safe and supportive environment for our staff and students.

Implementation

- Complementary policies are implemented to address safety, security, health and behaviour and to ensure that the school is a safe and supportive environment. These policies are:
 - Staff Code of Conduct
 - Students with Disability Policy
 - Medication Policy
 - First Aid Policy
 - Critical Incidents Management Policy and Procedure
 - Evacuation Procedure
 - Homework Policy.
- School policies are understood and practiced by school members and staff.
- In the first case, the school will attempt to address any pastoral issues internally.
- Where required, the Principal, under the Grievance Resolution Policy and in consultation with the Management Team, may acquire external counselling as required.
